Talking Points - 6/12/18  
San Juan National Forest Closure

- As of June 12, 2018, the San Juan National Forest (SJNF) has implemented a Stage 3 Fire Closure Order No. SJ-2018-09 for all National Forest System lands with the San Juan National Forest in the following counties: Archuleta, Conejos, Dolores, Hinsdale, La Plata Mineral, Montezuma, Rio Grande, and San Juan.
  - ✓ The closure prohibits most entry into the forest. Exemptions might be granted on a case-by-case basis with a written authorization from the Forest Service, which would include specific requirements for fire prevention.
  - ✓ The closure order will remain in effect until the forest receives sufficient moisture to improve conditions.
  - ✓ The closure order prohibits entry into the San Juan National Forest, including entry by the general public, most administrative entry by Forest Service employees, and most uses authorized under Forest Service permits and contracts. This means that forest campgrounds, day use areas, roads, and trails will be closed, including wilderness areas, and that hiking, dispersed camping, and other recreational activities are prohibited.
  - ✓ Violating Stage 3 fire restrictions is punishable as a Class B misdemeanor by a fine of not more than \$5,000 for an individual or \$10,000 for a legal entity other than an individual, or imprisonment for not more than six months, or both.
  - ✓ People or groups responsible for causing a wildfire could be held liable for suppression costs, which can become extensive once firefighters and heavy equipment are needed.
  - ✓ The Colorado Trail is closed within the San Juan NF between mile 820 and mile 945.9. For more information, go to the Continental Divide website at [continentaldividetrail.org](http://continentaldividetrail.org)
- Open areas:
  - McPhee Recreation Area Complex boat ramp and marina for the purposes of launching or retrieving watercraft and who are on the water of the McPhee Reservoir at least 10 feet from the shoreline.
  - Through traffic only on the following roads:
    - Dolores-Norwood Road
    - Piedra Road will remain open as far as the Sportsman
    - County roads and highways are not closed by the Forest Order (La Plata Canyon Road is a county road).
    - US Basin
    - Ophir Pass
